Privilege of the Floor

Dave Bencic – Did the Supv. say that someone has a conflict with Solar? Supv. Crossen answered, no it is with STAMP.

Solar – 300 ft from homes or more is reasonable, no less. Keep batteries and substations far away from homes.

There should be provisions for resolving issues that don't have a financial burden on the resident who makes the complaint.

Landscaping, if required, should have provisions that it be maintained.

Training School – Supv. Crossen reminded the board about upcoming training.

GCEDC Annual Meeting on April 26th. Let Supv. know if interested in going.

Clean Energy Communities – Supv. submitted paperwork, currently at a \$10,000 grant so far. Need to submit utility bills for electric and heating.

Solar Law Review –

Councilperson J. Klotzbach submitted questions and comments on the current solar law. Disc. held on comments.

Councilperson D. Klotzbach arrived at 7:15 p.m.

Discussions held on setbacks, decommissioning, soil re-testing. Supv. Crossen to take comments to Wendel for their review and to get their feedback.

Town Newsletter – Supv. Crossen is thinking about doing a newsletter on the website to update residents on solar, water, etc. Disc. held.
